SAFETY EQUIPMENTS PVT. LTD

The complete safety solutions

ISME

About Us

iSQUARE SAFETY EQUIPMENTS (P) LTD., an ISO 9001:2015 certified company, is a leading provider of COMPLETE SAFETY SOLUTIONS for industries like Automobile, Chemical, Engineering, Pharmaceutical, Textile, Oil & Gas, Power, Construction, Government, IT, Hospitality, Healthcare, and various institutions.

With specialized expertise in fire protection systems, personal protective equipment (PPE), emergency equipments, safety training and safety audits, we deliver solutions aligned with emerging technologies and global safety standards.

Driven by a young and dynamic team with over a decade of diversified industry experience, **iSQUARE SAFETY** is committed to delivering quality products, efficient service execution, and tailored safety procedures to meet both Indian and international safety norms. Our goal is to ensure workplace safety through innovation, compliance, and customer-focused solutions.

We are Dealing with

◆ FIRE PROTECTION ◆
